

*A tribute of filial
respect and affection
in Memory of*

HANNA

Relict of

ISAAC LEVY MADURO

Native of Curaçao

*Who was summoned hence on the
28 October 1895*

*at the ripe age of
82 years*

deeply lamented by her sorrowful children

Gone from us but not forgotten

Never shall thy memory fade

*Sweetest thoughts shall ever linger
Around the spot where thou art laid*
